

Environmental Policy

- We, **Waste Services, Inc.** are committed to excellence in environmental management, and will conduct our business in a manner which protects the environment, health and safety of our employees, customers and the communities in which we operate.
- We are committed to the integration of environmental management into the everyday management of our business.
- We will comply with all applicable environmental laws, and will work with regulatory agencies and industry associations to develop and implement sound environmental protection policies.
- We will manage our business and operations to avoid the occurrence of adverse events, and minimize potential hazards that may affect our employees, customers, the public and the environment.
- We will educate and train our employees to comply with this Policy.
- We will periodically conduct environmental inspections and audits of our operations, and will act promptly to respond to any deficiencies we may find.
- Our managers and supervisors will be responsible for ensuring their operations, facilities and employees comply with this Policy.

Our Executive Management and Board of Directors will monitor our environmental performance, and will take the appropriate steps necessary to ensure continued compliance with this Policy.
